

Digidak is always looking for volunteers!

To make Digidak possible, we are always looking for enthusiastic volunteers.

Do you have a few hours off that you would like to spend in a very rewarding way? Do you want to commit yourself to something that many people are grateful for?

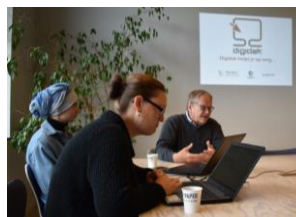

Do you like contact with people?

Then volunteering with Digidak might be something for you! We are looking for people who want to share their (computer) knowledge and (digital) skills with others.

We offer a pleasant use of time that gives great satisfaction. You are part of a great group of volunteers who organize a lot of initiatives within Digidak. We provide both training moments and voluntary activities and meetings.

No computer at home or no internet?

You would like to learn more about your computer, laptop, tablet or smartphone?

Digidak welcomes you to practice on our computers and make use of the internet **for free**. A mentor is stand by to help and answer any questions.

WELCOME
AT DIGIDAK
